**BriefDesc**

Unique identifier for a case file.

Unique identifier to track a case being updated.

Indicates the date/time a case being updated.

The action code used to perform the update.

A memo field indicating notes of a case being updated.

Indicates identification of the user updating the case.

Unique identifier for a case file.

The file number is used to identify a complaint.

Indicates the date an inquiry was received.

Date the interview was conducted.

Methods of interview. Items include None Selected, Correspondence, In-Person, and Telephonic.

Initial of person conducting the interview.

The person who entered the complainant information.

Initial of person conducting the investigation.

The name of the case.

HUD personnel monitoring the case.

Person filing the complaint.

The name of the conciliator.

The agency that oversees the respondent in a case.

Mortgage Lender Control Number for the Regulating Agency.

The FHAP agency or HUD office where the case originated.

Case can be prioritized by the HUD Secretary.

Unique identifier of the FHIP referral agency.

Test case indicator. Yes or No.

Determines if HUD jurisdiction was established. Jurisdiction Established includes a list: Yes, No-Claim/Inquiry Closed and Not Yet. Jurisdiction is established once a case and has a valid basis or issue.

The reason for complaint being closed. See tblClosedReasons

The date the complaint was closed.

The reason for inquiry being closed. Why Closed is included in a reason list: Not timely filed, No valid basis, No valid issues, Failure to respond by claimant, Unable to locate claimant, Informal resolution prior to filing, Decision by claimant not to pursue, Other disposition.

The date the inquiry was closed.

Indicates if federal funding to property or respondent is available. Items include: Yes, No, and Don't know.

Indicates if respondent's information is present.

Indicates when discrimination happened.

Indicates where the discrimination happened.

Indicates the issues of discrimination.

Date on which the agency issues the 100 - day letter.

Indicates the basis of discrimination.

Indicates if other questions for complainant have been answered.

The date the FHAP agency closed the case.

Indicates if name exist for other complainants/ claimant, other aggrieved parties, complainant representatives, complainant contact person, others treated differently, others treated the same way, other witnesses, respondents, and respondent's representatives.

Indicates if respondent information is present.

Indicates the type of Federal funding.

Indicates the type of FHEO/FHAP relief.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates the type of FHEO/FHAP relief.

Indicates the type of FHEO/FHAP relief.

Indicates the type of Federal funding.

Indicates the type of FHEO/FHAP relief.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates the type of FHEO/FHAP relief.

Indicates the type of Federal funding.

Indicates other type of FHEO/FHAP relief.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates the type of Federal funding.

Indicates other types of Federal funding.

Indicates if case is being processed concurrently by other government agencies.

Items include in Conduct Concurrent Processing list: Yes, No, and Don't know.

FormSent Date indicating when a notification letter was sent for signature.

Date the inquiry was filed with HUD.

Date the notification letter was actually sent.

Indicates if a FHAP agency or HUD is responsible for processing the case.

Indicates if complainant has signed the complaint.

Indicates if Title VI authority applies to the case.

The case number that applies to the Title VI authority.

Indicates if Section 504 authority applies to the case.

The case number that applies to the Section 504 authority.

Indicates if Section 109 authority applies to the case.

The case number that applies to the Section 109 authority.

Indicates if Executive Order 11063 authority applies to the case.

The case number that applies to the Executive Order 11063 authority.

Indicates if Executive Order 12892 authority applies to the case.

The case number that applies to the Executive Order 12892 authority.

Indicates if Executive Order 12898 authority applies to the case.

The case number that applies to the Executive Order 12898 authority.

Indicates if the Americans with Disabilities Act authority apply to the case.

The case number that applies to the Americans with Disabilities Act authority.

Indicates if Age Discrimination Act authority applies to the case.

The case number that applies to the Age Discrimination Act authority.

Indicates the type of investigation.

Indicates the type of investigation.

Indicates the type of investigation.

Indicates the code of the region to which the agency belongs.

Indicates the office the case is located.

Site location for the region or FHAP offices.

Indicates the FHAP case number.

Indicates if Title IX authority applies to the case.

Indicates the case receives USDA referral.

The case number that applies to the Title IX authority

Indicates the case applied to First Amendment.

The reason given by the region for reversing the processing responsibility from a FHAP agency.

The reentry date reverses the processing responsibility from a FHAP agency to a region.

The date a closed case was reopened.

When a closed case is reopened, the date closed field must be blank.

Indicates date of the probable cause finding if there is reason to believe discrimination occurred.

If finding does not apply to all basis/issues or parties involved in case.

Indicates payment determination.

A code that indicates whether or not a specific type of relief was obtained. As follows: "Description of the code that indicates whether or not a specific type of relief was obtained. As follows: Position 1 Housing Position 2 Affirmative Action/ Reasonable Accommodation Position 3 Monetary Position 4 Employment Position 5 Structural Modification Position 6 Other Relief.

Indicates dollar amount of compensation awarded.

Indicates if case has been referred to agencies other than HUD.

Indicates date was flagged for temporary restraining order.

Indicates date temporary restraining order was referred to DOJ.

Indicates dates DOJ is to act on the case.

Indicates if temporary restraining order was issued or rejected.

Indicates the date the case was considered a likely cause.

Indicates date the case was flagged for Department of Justice investigation.

Indicates how investigation was being conducted. Items include: Criminal prosecution, Pattern and practice, Zoning / Land use, USDA case, and Other.

Indicates how investigation was being conducted.

Indicates types of federal funding.

Indicates types of federal funding.

Indicates the case applied to tax credit.

Indicates types of federal funding.

Indicates types of federal funding.

Indicates the number of non-claimants compensated under Non-Claimants Compensated (Specified Relief).

Dual Filing allows HUD users to identify cases that are to be dual filed and those selected for HUD refusal. Dual Filing Status Unknown is the default value. Dual Filing Refused is read only for FHAP users and available for HUD use only.

Date that the case was refused for dual filing.

Indicates date that the Non-Disclosure Agreement was signed.

The file number is used to identify an inquiry.

Indicate date that charge was vacated.

Indicates date was requested for investigation reconsideration.

Indicates date fields for HUD users with Manager or System Administrator rights to lock the components used to generated the FIR. Preclude regeneration afterwards unless a user with the same rights removes the locked date first. The locked version must be printable, be retained somewhere and be easily accessible.

Indicates date fields for HUD users with Manager or System Administrator rights to lock the components used to generated the Determination. Preclude regeneration afterwards unless a user with the same rights removes the locked date first. The locked version must be printable, be retained somewhere and be easily accessible.

Indicates date was identified for breach of consideration.

Indicates date was referred to DOJ for breach of consideration.

Indicates date was requested for Subpoena.

Indicates date of counsel action for Subpoena request.

The parent case number to identify the parent-child relationship which is a companion case function to copy specific data from a parent case to other related cases (child) which will have some identical data, and allow multiple use i.e. in case a client/child case is added later.

Indicates date the inquiry was reopened for investigation.

Indicates date is used to identify and extract cases that have been updated since the previous daily FHAP data extract.

A check box indicates the homeownership opportunities provided is for minorities.

A check box indicates the homeownership opportunities provided is for general/affordable housing.

Means used by the complainant to initially contact HUD or the FHAP agency regarding his/her complaint.

A check box indicates the logic for identifying Complex cases

Date on which HUD was notified by the complainant that he or she wants to withdraw the complaint.

Date on which HUD: a) received a signed withdrawal notice from the complainant, or b) was informed, by the complainant, of a private settlement.

Date on which the trial of a civil action filed by the complainant commenced.  
Indicates a unique identifier for issues of discrimination.  
Unique identifier for a case file.  
Indicates type of issues being discriminated.  
  
Indicates type of issues being discriminated.  
  
Indicates type of issues being discriminated.  
  
Indicates type of issues being discriminated.  
  
Indicates type of issues being discriminated.  
  
Indicates type of issues being discriminated.  
  
Unique identifier indicates the type of notes/summary fields for a case file.  
Unique identifier for a case file.  
Indicates notes for a case.  
Indicates summary for a case.  
Unique identifier for the complainant of a case file.  
Unique identifier for a case file.  
Indicates complainant's first name.  
Indicates complainant's last name.  
Indicates if complainant is an organization.  
  
Indicates complainant's street address.  
Indicates complainant's street address.  
Indicates complainant's city.  
Indicates complainant's state. See tblState.  
  
Indicates complainant's zip code.

Indicate complainant's home telephone number.

Indicate complainant's work telephone number.

Indicates complainant's social security number.

Indicates complainant's date of birth.

Indicates if complainant signed the Inquiry/Complaint.

Indicates relationship of contact person to the complainant.

Comments made about the case.

List indicating the regulating agency for the organization.

Indicates how complainant learned of fair housing act. Items include: Fair housing brochure, Faith based group, FHIP, Housing provider, HUD Office, Internet, Lender, Magazine, Newspaper, Other , Other federal agency, Personal contact, Private attorney, Private fair housing group, Public service announcement, Radio, Realtor, State/municipal government, Tenant association and TV.

Unique identifier for other aggrieved parties for a case file.

Unique identifier for a case file.

Indicates first name for other aggrieved parties.

Indicates last name for other aggrieved parties.

Indicates if other aggrieved parties are an organization.

Indicates street address for other aggrieved parties.

Indicates street address for other aggrieved parties.

Indicates city for other aggrieved parties.  
Indicates state for other aggrieved parties.  
See tblState  
Indicates zip code for other aggrieved parties.  
Indicates home phone number for other aggrieved parties.  
Indicates work phone number for other aggrieved parties.  
Indicates social security number for other aggrieved parties.  
Indicates date of birth for other aggrieved parties.  
Comments made about the case.  
Unique identifier for others treated differently for a case file.  
Unique identifier for a case file.  
Indicates first name for others treated differently.  
Indicates last name for others treated differently.  
Indicates if others treated differently is an organization.  
Indicates street address for others treated differently.  
Indicates street address for others treated differently.  
Indicates city for others treated differently.  
Indicates state for others treated differently.  
See tblState.  
Indicates zip code for others treated differently.  
Indicates home phone number for others treated differently.  
Indicates work phone number for others treated differently.

Indicates social security number for others treated differently.

Indicates date of birth for others treated differently.

Comments made about the case.

Unique identifier for others treated same for a case file.

Unique identifier for a case file.

Indicates first name for others treated same.

Indicates last name for others treated same.

Indicates if others treated same are an organization.

Indicates street address for others treated same.

Indicates street address for others treated same.

Indicates city for others treated same.

Indicates state for others treated same. See tblState.

Indicates zip code for others treated same.

Indicates home phone number for others treated same.

Indicates work phone number for others treated same.

Indicates social security number for others treated same.

Indicates date of birth for others treated same.

Comments made about the case.

Unique identifier for other witness for a case file.

Unique identifier for a case file.

Indicates first name of other witness.

Indicates last name of other witness.

Indicates if other witness is an organization.

Indicates street address of other witness.

Indicates street address of other witness.

Indicates city of other witness.

Indicates state of other witness. See  
tblState.

Indicates zip code of other witness.

Indicates home phone number of other  
witness.

Indicates work phone number of other  
witness.

Indicates social security number of other  
witness.

Indicates date of birth of other witness.

Comments made about the case.

Indicates a unique identifier for a site  
location.

Indicates a unique identifier for user initials.

The file number used to identify a complaint.

The first step in the inquiry process. It  
records the initial inquiry of housing  
discrimination for FHEO.

Second step in the process and it is used to  
determine the jurisdiction of the case.

Second step in the process and it is used to  
determine the jurisdiction of the case.

Records all investigative information  
obtained for the case.

Maintains an audit trail of all case  
assignments and transfers for the case.

Identifies the investigative processes used  
for case processing.

Records all conciliation attempts made  
during the processing of the case.

Records all OGC information for a case that has been transferred for adjudication.

Unique identifier for a case file.

Unique identifier in positions 5-8 of the file number used to identify a complaint. Unique four digit number assigned chronologically within fiscal year by HUD Date Filed. See tblTransfer 2.

Unique identifier for a case file.

Indicates the reason case is being transferred. See tblTransferCodeDesc.

Indicates the date the case was transferred.

Site ID of user logged in.

Indicates the office that entered the transfer code.

Indicates the office the case is being transferred from. See tblTransfer 1.

Indicates the office the case is being transferred to. See tblTransfer 1.

Unique identifier for a case file.

Table field describes what happened that the complainant/claimant considers discriminatory.

Unique identifier for a case file.

Indicates the date the violation occurred.

Indicates if discrimination is still continuing.

Unique identifier for a case file.

Indicates if property was involved in the discrimination. Items include: Yes and No

Indicates the street address of the property.

Indicates the street address of the property.

Indicates the county the property is located.

Indicates the city the property is located.  
Indicates the state the property is located.  
See tblState.  
Indicates the zip code the property is located.  
Indicates if property is exempt.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates the type of property that was involved.  
Indicates description of property type.  
Indicates type of ownership of property.  
Indicates type of ownership of property.  
Comments section for description.  
Comments section for owners.  
Comments made about the case.  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property  
Unique identifier of the exempted property

[illegible]

Indicates reason for the alleged discrimination.

Indicates the National Origin basis.

Indicates the National Origin basis.

Indicates the National Origin basis.

Indicates the Handicap basis.

Indicates the Handicap basis.

Indicates the Religion basis.

Indicates the Religion basis.

Indicates the Retaliation basis.

Indicates the Familial Status basis.

Indicates the Familial Status basis.

Indicates the Familial Status basis.

Indicates the Familial Status basis.

Indicates the Familial Status basis.

Indicates the Race basis.

Indicates the Race basis.

Indicates the Race basis.

Indicates the Race basis.

Indicates the Race basis.

Indicates the Race basis.

Indicates the Race basis.

Unique contact identifier for the complainant or respondent.

Unique complainant identifier for a case file.

Unique identifier for a case file.

Indicates first name of the contact of the complainant.

Indicates last name of the contact of the complainant.

Indicates street address of the contact of the complainant.

Indicates street address of the contact of the complainant.

Indicates city of the contact of the complainant.

Indicates state of the contact of the complainant. It includes a list of 50 states in the United States.

Indicates zip code of the contact of the complainant.

Indicates home phone number of the contact of the complainant.

Indicates work phone number of the contact of the complainant.

Indicates the relationship the contact has with the complainant.

Indicates comments made about the case.

Unique representative identifier for the complainant or respondent.

Unique complainant identifier for a case file.

Unique identifier for a case file.

Indicates first name of the representative for the complainant or the respondent.

Indicates last name of the representative for the complainant or the respondent.

Indicates the name of business of the representative for the complainant or the respondent.

Indicates street address of the representative for the complainant or the respondent.

Indicates street address of the representative for the complainant or the respondent.

Indicates the city of the representative for the complainant or the respondent.

Indicates the state of the representative for the complainant or the respondent. See tblState.

Indicates the zip code of the representative for the complainant or the respondent.

Indicates the work phone number of the representative for the complainant or the respondent.

Indicates the fax number of the representative for the complainant or the respondent.

Indicates comments made about the case.

Unique identifier for a staff member as a conciliator.

Unique identifier for a case file.

Indicates date that conciliation attempt was made.

Indicates how conciliation attempt was made.

Indicates name of the conciliator.

Indicates comments made about the case

Indicates names of parties of the case.

Indicates contacted person's position in the case.

Unique identifier for a case file.

Indicates the descriptions for Exemptions for Religious Orders.

Indicates the descriptions for Exemptions for Religious Orders.

Indicates the descriptions for Exemptions for Religious Orders.

Indicates the descriptions for Exemptions for Religious Orders.

Indicates the descriptions for Exemptions for Religious Orders.

Unique identifier for the Deliberative Impressions case file.

Unique identifier for a case file.

Indicates the date the Deliberative Impressions was made.

Indicates the initials of the person that made the Deliberative Impressions.

Indicates the title of the person that made the Deliberative Impressions.

Comments made about the case in the Deliberative Impressions screen.

Unique identifier of the sequence number of the document for a case file.

Unique identifier for a case file.

Indicates name of person providing the document.

Indicates description of the document.

Indicates how the document was obtained.

Indicates date of the document was entered.

Indicates date of the document given to staff.

Indicates summary information of the document.

Unique identifier for a case file.

Indicates date the case was flagged for temporary restraining order.

Indicates date the case was referred to Department of Justice.

Indicates the date Department of Justice is to act on the case.

Indicates if the case was issued or rejected by Department of Justice.

Indicates the date the case was considered a likely cause.

Indicates date the case was flagged for Department of Justice investigation.

Indicates type of investigation that is to be performed by Department of Justice.

Indicates type of enforcement agreement.  
Indicates date of enforcement agreement.  
Indicate parties involved in enforcement agreement.  
Indicates type of enforcement agreement.  
Indicates date of enforcement agreement.  
Indicate parties involved in enforcement agreement.  
Indicates type of enforcement agreement.  
Indicates date of enforcement agreement.  
Indicate parties involved in enforcement agreement.  
Unique identifier for an agreement.  
Unique identifier for a case file.  
Indicates type of enforcement agreement.  
Items include: Type 1 through Type 6.  
Indicates date of enforcement agreement.  
Indicates names of parties involved in enforcement agreement.  
Unique identifier for a region.  
Unique identifier for an agency ID.  
Indicates representative and street address of the FHAP agency.  
Indicates representative and street address of the FHAP agency.  
Indicates representative and street address of the FHAP agency.  
Indicates representative and street address of the FHAP agency.  
Indicates representative and street address of the FHAP agency.  
Indicates the FHAP agency phone number.

Indicates the FHAP agency name.  
Indicates the short form of the FHAP agency name.

The date the FHAP agency was certified by HUD.

The date the FHAP agency was decertified by HUD.

Unique identifier for a case file.

Indicates the FHAP agency ID.

Indicates the FHAP case number.

Indicates the FHAP personnel performing the investigation. This includes a list of investigators' name.

Indicates the date of the 100-Day Letter.

Indicates the date FHAP agency received the case.

Indicates the date the case was sent to legal department.

Indicates election type that includes Administrative Hearing and Judicial Processing.

Indicates the date the hearing was started.

Indicates the date the hearing was completed.

Indicates the hearing outcome. Terms of the hearing outcome include Decision of no discrimination, Decision of discrimination, and Other Hearing Outcome

Indicates the voucher type. FHAP Voucher includes from voucher number 1 through voucher number 5.

A decision HUD reached as to whether the FHAP agency deserved payment for processing of a complaint. A list of PaymentCode include Accepted for payment, Rejected; Additional documentation required, Rejected; Additional processing requested, Rejected; Reactivated, Rejected; Disposition none of the above, Reactivated but approved for payment.

Indicates if bonus amount was issued. Items include: Yes and No.

Date on which the case was filed by the FHAP agency.

Date on which the case was referred by the FHAP agency to the state or local legal department for review (primarily concurrence reviews).

Date on which HUD made a determination as to whether the FHAP agency should be paid for processing the case and, if so, how much.

Indicates whether the reactivation was agreed to by the FHAP agency ("M" = "Mutual"); or not ("N" = "Non-mutual")

Date on which HUD consulted with the FHAP agency regarding reactivation.

Date on which the FHAP agency agreed to mutual reactivation.

Unique identifier for home ownership type.

Unique identifier for a case file.

Indicates the number of rental units.

Indicates the number of modified rental units.

Indicates the dollar amounts applied to the modified rental units.

Indicates the number of Homes.

Indicates the dollar amounts to be made available for mortgages.

Indicates the amount of home mortgages.

Indicates the number of homeownership related insurance policies.

Indicates the dollar amounts to be made available for homeownership related insurance.

Indicates the number of accessibility modification units.

Indicates the dollar amounts applied to the accessibility modifications.

Indicates the amounts provided for public interest.

Indicates the amounts provided for general education/outreach on homeownership education, etc.

Indicates the amounts provided for general education/outreach on homeownership education, etc.

Indicates the amounts applied to the elimination of discriminatory housing practice units.

Indicates the number of future discriminatory housing practice units.

Indicates the amounts applied to the future discriminatory housing practice units.

Indicates the number of remedial affirmative activities to overcome discriminatory housing practice units.

Indicates the amounts applied to the remedial affirmative activities to overcome discriminatory housing practice units.

Unique identifier for HUD seal emblem.

Unique identifier for an interrogatory.

Unique identifier for a case file.

Indicates date interrogatory was sent.  
Indicates who the interrogatory was sent to.

Indicates the date the interrogatory was received back.  
Comments made about the case.  
Unique identifier for an interview.  
Unique identifier for a case file.  
Indicates when the interview occurred.  
Indicates the person that was being interviewed.  
Indicates the interviewee's position in the case. Items include: Complainant, Respondent, Witness, Contact and Representative.  
Indicates how the interview was conducted. See tblInterviewType.  
Indicates the name of the person who conducted the interview. See tblInterviewer.

Notes made about the case/interview.  
Summary made about the case/interview.  
Unique identifier for an investigator.  
Unique identifier for a case file.  
Indicates date when observations about the case were made.  
Indicates name of the investigator.  
Comments made about the case.  
Unique identifier for an issue code.  
Indicates issue for discrimination for the case.  
Indicates section for issues of the National Housing Law.  
Indicates a unique identifier for issues of discrimination.  
Unique identifier for a case file.

Unique identifier for letter identification for a case file.

Unique identifier for a case file.

Indicates the date on the initial letter.

Indicates the type of letter.

Indicates the letter was printed to complainant, complainant representative, respondent, respondent representative, or regional office.

Indicates the address type identifier.

Indicates the names of complainant, complainant representative, respondent, respondent representative, or regional office who receive the letter.

Indicates the site the letter was printed by.

Indicates the user that printed the letter.

Indicates if the letter was reprinted/regenerated.

Unique identifier for management.

Unique identifier for a case file.

Indicates the date the case was assigned to another staff member.

Indicates whom the case was assigned to.

Indicates who assigned the case.

Indicates what action is required to be taken on the case.

Indicates when the assigned case is to be due.

Unique identifier for a case file.

Indicates the complainant in the case.

Indicates other aggrieved parties in the case.

Indicates the complainant's representative in the case.

Indicates the complainant's contact person in the case.

Indicates if others were treated differently in the case.

Indicates if others were treated the same in the case.

Indicates if there were other witnesses in the case.

Indicates the respondent in the case.

Indicates the respondent's representative in the case.

Unique identifier for user ID for a case file.  
Seven-character user ID of a person authorized to access Teapots.

Personal initials or SQL user ID.

Personal password or SQL password.

Unique identifier for staff.

Unique identifier for user ID for a case file.  
Seven-character user ID of a person authorized to access Teapots.

Unique identifier for data source.

Personal initials or SQL user ID.

Personal password or SQL password.

Unique identifier for staff.

Unique identifier for user ID for a case file.  
Seven-character user ID of a person authorized to access Teapots.

List of potential privileges for each personal user ID; actual privileges are controlled by staff info. screen.

Unique identifier for staff.

Unique identifier for user ID for a case file.  
Seven-character user ID of a person authorized to access Teapots.

Personal password or SQL password.

Query, insert, delete, or update rights.

Unique identifier for staff.

Unique identifier for a case file.

Indicates the location of the case.

Indicates the date the case was assigned to an attorney.

Indicates the attorney that is assigned to the case. See Staff Table.

Indicates when date file sent to General Counsel.

Comments made about the case.

Indicates the date Office of General Counsel filed response.

Indicates the date when the respondent was charged.

Indicates the date when the respondent was notified.

Indicates the date the aggrieved party was notified.

Indicates the date of expiration of election period.

Indicates if an election was made for the case. Dropdown list includes None, Yes, and No.

Indicates who made the election.

Indicates date election was made.

Indicates if complainant made the election. Dropdown list includes None, Yes, and No.

Indicates if respondent made the election. Dropdown list includes None, Yes, and No.

Indicates date when the case was referred to Department of Justice.

Indicates who the administrative law judge is to be.

Indicates if Secretary made election. Dropdown list includes None, Yes, and No.

Indicates date of discovery of facts.

Indicates the date of HUD discovery responses.

Indicates the date of Respondent responses due.

Indicates the date of HUD response s to motion.

Indicates date of settlement conference.

Indicates if there are settlement terms applicable to the case. Dropdown list includes None, Yes, and No.

Indicates amount compensation.

Indicates date for hearing to be scheduled.

Indicates the city the hearing is to be held in.

Indicates type of settlement relief.

Indicates type of settlement relief.

Indicates the state the hearing is to take place. See tblstate table.

Indicates the date the hearing is to begin.

Indicates type of settlement relief.

Indicates the date the hearing concluded.

Indicates type of settlement relief.

Indicates date of post hearing brief.

Indicates type of settlement relief.

Indicates type of settlement relief.

Indicates the date the respondent filed response.

Indicates the date a decision will be made.

Indicates if discrimination did occur in the case. Dropdown list includes None Selected, Yes, and No.

Indicates citing type of relief awarded by the ALJ or the Court. Dropdown list includes None Selected, Monetary relief only-no civil penalty, Monetary and Injunctive-no civil penalty, Monetary/injunctive and civil penalty, Monetary/injunctive/civil penalty and unit.

Indicates the date for Secretarial review.

Indicates date that final decision will be reached.

Indicates the date case can be appealed.

Comments made about the case.

Indicates date civil action decision was reached.

Indicates types of civil action decisions. The types include: Consent order entered after election, District Court finds for the U.S., District Court finds for the defendant, Court of Appeals upholds District Court finding for U.S., Court of Appeals reverses District Court Finding for U.S., Court of Appeals upholds District Court Finding for defendant, Court of Appeals reverses District Court Finding for defendant, Supreme Court denies Cert. - district court case, Supreme Court decision on merits - district court case

Indicates the date a charge will be vacated.

Indicates the OGC attorney is assigned. See Staff Table

Indicates the date an OGC attorney is assigned.

Unique identifier for a case file.

Indicates the FHAP case number.

Indicates the FHAP case name.

Allows the user to restrict the case search to a single Authority. Valid choices are Title VI, Title IX, Section 109, Section 504, ADA, or Age. Any is the default.

Allows the user to search for a case by the date the case was received.

Letter of Determination Date - milestones of processing other authority cases.

Letter of Finding Date - milestones of processing other authority cases

Voluntary Compliance Agreement - milestones of processing other authority cases.

Indicates the case completed date.

Indicates case closure reason. See tblClosedReasons.

Indicates the date the processing of Other Authorities was sent to Headquarters.

Indicates the date the processing of Other Authorities was returned from Headquarters.

Indicates the date the processing of Other Authorities was sent to Office of General Counsel.

Indicates the date the processing of Other Authorities was returned from the Office of General Counsel.

Indicates the date of the onsite inspection was performed for the Processing of Other Authorities.

Unique identifier for a case file.

Indicates the point of contact office.

Indicates the complete interviews with parties and/or witnesses.

Subpoena (formally request) documents related to the investigation or arrange other formal information gathering.

Conduct an on-site investigation.  
Conduct more investigation because the information gathered so far shows a need for more investigation and analysis.  
Include other HUD program offices and/or federal agencies in the investigation.  
Make additional efforts to conciliate (settle) the complaint.  
Determine whether there is further support for information provided by parties or witnesses.  
Analyze issues involving new or complicated areas of law.  
Conduct a legal analysis of information gathered during the investigation.  
Allow additional review by the United States Department of Justice.  
Finish writing a report of the investigation.  
Amend the complaint to add or delete parties or claims or make other changes.  
Special issues have come up in this case requiring additional time.  
Comments section for brief explanation of issues requiring additional time.  
Indicates the projected completion date for the case.  
Indicates the person to contact about the case.  
Indicates the Contact Office for the case. Offices include: Headquarters and Hub  
Unique identifier for a respondent representative.  
Unique identifier for the respondent representative in that case file.  
Unique identifier for a case file.  
Indicates the representative's first name.  
Indicates the representative's last name.

Indicates the representative's Firm.

Indicates the representative's street address.

Indicates the representative's street address.

Indicates the representative's City.

Indicates the representative's State. See  
tblState

Indicates the representative's zip code.

Indicates the representative's work phone.

Indicates the representative's fax number.

Comments made about the case.

Unique identifier for a respondent.

Unique identifier for a case file.

Indicates respondent's name if organization.

Indicates the regulating agencies for the  
organization. Agencies include: OCC, FRB,  
FDIC, OTS, NCUA, FTC, and FHA.

Control number for the Mortgage Lender  
Company.

Indicates respondent's first name.

Indicates respondent's last name.

Indicates respondent's street address.

Indicates respondent's street address.

Indicates respondent's city.

Indicates respondent's state. See tblState

Indicates respondent's zip code.

Indicates respondent's home phone number.

Indicates respondent's work phone number.

Comments made about the case.

Indicates if the respondent is insured. Items  
include: Insured Depository Institution- No  
and Insured Depository Institution- Yes.

Federal Tax Identification of the respondent.

Indicates respondent receive tax credit from the government. Items include: Don't know, No, and Yes ( Alabama Housing Finance Authority).

Unique identifier for staff.

Contains the user's unique three-character ID assigned by the system administrator.

Site location for the region or FHAP offices.

Contains the full name of the person assigned to the account.

Contains the email address of the person assigned to the account.

Defines the access privilege of the user.

Password for the user.

Indicates the access privilege for Other Authorities cases.

Indicates the access privilege for FHAP cases

Indicates the access privilege for Title8 cases.

Indicates user's previous login date.

Indicates the date when the password was updated.

Indicates the date the password was expired.

Indicates the access privilege for OGC cases.

Unique identifier for a case file.

Unique identifier for supporting information in Investigative Plan.

Unique identifier for support information.

Unique identifier for a case file.

Comments made for case in the supporting information section.

Comments made for case in the Investigative Findings section of Theories of Proof.

Comments made for case in the Investigative Plan.

Unique identifier for Issues for the case.

Unique identifier for supporting information in Investigative Plan.

Unique identifier for support information.

Unique identifier for a case file.

Comments made for case in the supporting information section.

Comments made for case in the Investigative Plan.

Unique identifier for the Regulating Agency.

Indicates the Regulating Agency name.

Indicates the Regulating Agency street address.

Indicates the Regulating Agency street address.

Indicates the Regulating Agency street address.

Indicates the Regulating Agency street address.

Indicates the Regulating Agency street address.

Indicates the Regulating Agency phone number.

Unique identifier for a case file.

Unique identifier for a respondent.

Indicates the Regulating Agency name.

Unique identifier for a respondent.

Unique identifier for a case file.

Indicates the types of relief provided by ALJ.

Unique identifier for a case file.

Unique identifier for the audit trail.  
Indicates the description of the audit trail.  
Unique identifier to track a case being updated.  
Unique identifier for a case file.  
Unique identifier for a case file.  
Identifier for the checked out case.  
Indicates date/time for the checked out case.

Indicates the days a case has been checked out.  
Indicates the user who has the checked out case.  
Indicates the types of civil action decisions.

Unique identifier for a case file.  
Indicates the reason an inquiry has been closed.  
Unique identifier for a case file.  
Indicates the reason an inquiry has been closed.  
Indicates the closure description based upon users site ID. A flag that indicates which closure reasons a user will see.  
Indicates the closure description based upon users site ID. A flag that indicates which closure reasons an FHAP user will see.

Indicates the closure description based upon users site ID. A flag that indicates which closure reasons an OGC user will see.

Unique identifier for a case file.  
Unique identifier for a county of a state.  
Indicates the county name of a state.  
Unique identifier for a case file.

Indicates short error message when inserting/updating a case.

Indicates detailed error message when inserting/updating a case.

Indicates response error message when inserting/updating a case.

Unique identifier for a case file.

Description of learned of fair housing act.

Unique identifier for the complainant of a case file.

Unique identifier for a case file.

Unique identifier that allows the system administrator to select a site location for the user's account.

Indicates the Site location.

Indicates the types for the site location.

Indicates the office that oversees the processing of a case.

Indicates the address for the regional office.

Indicates the address for the regional office.

Unique identifier for a case file.

Unique identifier for a case file.

Indicates the identifier for closure code in the Other Authorities screen.

Indicates the closure types in the Other Authorities screen.

Indicates the description of the closure type in the Other Authorities screen.

Unique identifier for the site office.

Unique identifier for the signature block for letters.

Indicates the type of letter that has been produced.

Indicates the content of the letterhead.

Indicates the content of the letterhead.

Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the content of the letterhead.  
Indicates the determination point of contact.

Used by users at Headquarters only to restrict the search to a specific region.  
Indicates the contact office.  
Indicates the contact office phone number.  
Indicates the contact office phone number.  
Indicates the state.  
Unique identifier for a case file.  
Comments made about the case in the supporting information.  
Unique identifier for Issues for the case.  
Unique identifier for supporting information in Investigative Plan.  
Unique identifier for support information.  
Unique identifier for a case file.  
Unique identifier for support information.  
Unique identifier for keeping track of the unique identifier for a specific table.  
Unique identifier for a case file.  
Identifier for the template questions.  
Indicates notes/summary fields for a case file.  
Unique identifier indicates the type of notes/summary fields for a case file.  
Unique identifier for a case file.  
Description of the transfer code.

Indicates the office that sent the transfer.  
Indicates the notes from the transferring office.  
Indicates the office the case is being transferred to.  
Indicates the notes to the office to.  
Unique identifier in positions 5-8 of the file number used to identify a complaint. Unique four digit number assigned chronologically within fiscal year by HUD Date Filed

Unique identifier for a case file.  
Unique identifier that describes the actual transfer code.  
Unique identifier in positions 5-8 of the file number used to identify a complaint. Unique four digit number assigned chronologically within fiscal year by HUD Date Filed

Unique identifier for a case file.  
Indicates the description for the code for transferring a case.  
Unique identifier in positions 5-8 of the file number used to identify a complaint. Unique four digit number assigned chronologically within fiscal year by HUD Date Filed

Unique identifier for a case file.  
Unique identifier was assigned to user for each logon session.  
Contains user's unique three-character ID plus site location for the region or FHAP offices.  
Unique identifier for a case file.

Code tying the FHAPPayments record to a record in tblPayment, which provides a textual explanation of the meaning of the RecordCode.

The amount to be credited to the FHAP agency for processing the case.

Beginning date of the period to which this record applies.

Ending date of the period to which this record applies

Code identifying the type of information contained in this record and the role this record plays in building the "Standards For Payment" screen (e.g. "1H" = part 1 column heading).

Unique record identifier for a tblPayment record.

Textual information that varies by RecordType.

Textual information that varies by RecordType.

Textual information that varies by RecordType.

Identifies the RecordCode of the major category (i.e. "1A", "2A") to which a detail record (i.e. "1B", "2B") belongs.
